

# Mask Making/Getting Resources At A Glance Cheatsheet

## Step #1 – See If You Can Buy A Mask

The benefits of a mask are not for \*you\* only. **You could be infected with Covid19 and not yet present symptoms!** So let's first look to see where you \*might\* be able to find masks. They won't be available for awhile, alas.

- [Walgreens Masks whenever they become available](#) (they offer [free home delivery of meds](#), btw)
- [Warning about FAKE masks](#)
- [Enviro-Safety Masks](#) (long delivery time)
- [Best Shopping and Comparison Sites and Apps](#)

**And how to get alerts when n95 masks come in?**

- Check out [Shoptagr.com](#)! And visit this link for: [Shoptagr tips](#).

**Depressing, I know. So, let's move to:**

## Step #2 – How to Make a Mask

**True, these are NOT up to official health standards. But, better something than nothing!**  
**Barb Ling and Dennis Becker are sharing this for Informational Purposes ONLY.**

## Your Next Steps

**Your next steps are to get educated!**

Visit the resources above. **Bookmark them!** (need help with organizing in a browser? [This resource is grand!](#)).

Next, **create a Sewing Mask Folder** in your Bookmarks Organizer and make sure you move those bookmarks to this folder (so everything is in one place)! [Go HERE for help if you need it.](#)

Research everything you've learned... and then give yourself permission to NOT panic, prepare wisely, and help your family and friends survive. **You can do this... woot!**

Oh! And did you take advantage of what's waiting for you on the next page yet?
